

you to click that little old sin button just once. "Oh come on." He says. "Don't you want to feel better? It won't hurt much. And who's going to know?" So you click. Then you click again...and again. Okay just a few more times, and then I'll log off this sin deal and get back to God. But before you know it you are in it far deeper than you ever planned to be. The result can be deadly.

This is why the Bible tells us to flee sinful desires. Friends, we cannot afford to play around with those subtle compromises of the soul. Just like those crazy applications, one click is never enough. Each level invites you to the next. The good news is no matter how far we go, if we will repent and trust his healing power we have a savior who is always ready to get us back online with his heart. Are you getting in a little deeper than you thought you ever would? Turn to the Lord today and the next time the devil asks you to join his cause or try his application, hit the ignore button.

Blessings to you all

## Retreat Resurrected

I've heard it said, "Bethel Camp gets in your blood," I would have to say that I strongly agree with that statement.

If you consider yourself a young adult raise your hand. If you consider yourself a young adult who enjoys discussing your faith and beliefs with other young adults, raise your hand. If you consider yourself as a young adult who enjoys discussing your faith and beliefs with other young adults and desperately miss being a camper at Bethel camp, get out of your chair, jump up and down and get excited because we are once again planning a young adult retreat.

Familiar Faces we'd love to see at the Young Adult Retreat

This retreat is for anyone, single or married, who has graduated from high school and who wants to come enjoy a relaxing weekend at Bethel Camp. When you show up on **February 19th** be prepared to be challenged at the discussion times, test your athletic ability with some classic camp activities, and to reconnect with old friends or make some new ones. We'll have supper at **7:00** on Friday evening, but you can arrive anytime prior to supper that you would like. There is no fee for the weekend but you'll be given the opportunity to make a donation to cover the costs. Please call ahead and reserve the room of your choice.
